If applying for units in a newly constructed home, rebates are available for NO MORE THAN TWO (2) units per account. If applying for rebates for multiple accounts or multiple units on one account, please call to check availability of funding.

Installers are only eligible to receive their customer's rebate if the customer has assigned the rebate to the installer, and there is a discount for the full amount of the rebate shown on the final invoice.

APPLICATION REQUIREMENTS

Application must be completely filled out with installation location information, purchaser information (if applicable), equipment information (including brand, complete model and serial number and installation date) and retailer/installer information (if applicable). Black Hills Energy Arkansas is unable to accept applications that do not include all of this information. Copies of the dated invoices or sales receipts must accompany the completed rebate application and must include the customer's name, unit brand, model and serial numbers and unit cost. It is the responsibility of the account holder or purchaser to ensure that the installed equipment qualifies for the rebate. If it does not qualify, no rebate will be paid.

Black Hills Energy Arkansas reserves the right to inspect the installed equipment.

Rebate qualifications and amounts are subject to change.

The rebate application must be submitted within 90 days of installation date or within 90 days of connection of natural gas AND emailed or postmarked by December 31, 2024. To avoid delays in rebate processing, please submit your completed paperwork as soon as possible. Any applications with missing or incomplete information can jeopardize the chance of receiving rebate funds. Rebates are awarded on a first-come, first-served basis until funds are depleted.

REBATE DETAILS

Black Hills Energy Arkansas issues cash rebates in the form of checks, not utility bill credits. Black Hills Energy Arkansas is not responsible if the retailer/installer does not provide accurate information on the rebate amount or equipment eligibility. Rebate checks will be mailed within 6-8 weeks.
