QUALIFICATIONS

The qualifying equipment must be installed in a business served with natural gas from Black Hills Energy. Qualified, commercial natural gas foodservice equipment eligibility:

Equipment must be listed on one of the following accredited websites:

- ENERGY STAR®: energystar.gov/cfs
- Food Service Technology Center: fishnick.com/saveenergy/rebates

- A. Only new equipment is eligible for rebate (no refurbished equipment).
B. New construction and replacement equipment installations are eligible.

REQUIREMENTS

1. All qualifying equipment must be fully installed and operational, and is subject to inspection by Black Hills Energy or an agent of Black Hills Energy's choosing.
2. Enclose invoice showing separate figures for equipment, labor and taxes.
3. Enclose all nameplate data and age of equipment being replaced, if applicable.
4. All required information must be submitted before the rebate can be paid.
5. The rebate application form must be submitted within 90 days of installation or postmarked by December 31, 2021, whichever comes first.

Equipment installed under warranty replacement does not qualify for the rebate.

Rebate qualifications and amounts are subject to change. Rebate funds are limited. Completed rebate forms will be processed in the order in which they are received. Black Hills Energy rebate programs may be cancelled or changed at any time.

This program ends December 31, 2021.

Rebates will not be paid if funds are depleted prior to December 31, 2021.
